**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a happy customer of Sonic internet. Sonic guarantees my privacy and will never sell my data. Sonic needs continued access to copper in order to provide these services. I don't want to sell my soul to AT&T or any other large internet provider that can throttle my data at will, and that sees me as the product as opposed to a customer. I support broadband competition!
